Members of the public may apply for up to three one-day reference passes in any twelve-month period, provided that they supply valid proof of identity. Persons under 16 years of age may not Use the Library, unless they are accompanied and supervised by someone who is 18 years of age or over. The Director reserves the right to refuse admission to any Visitor, if the circumstances so warrant, including restricting access to Visitors at certain times of the year. Animals are not allowed in the library, apart from "Assistance Animals".
- 3.2 Users are expected to familiarise themselves with these Regulations. Failure to do so will not count as mitigating circumstances in the event of a breach of Regulations.
- 3.3 Users must comply with any request made to them by Designated Staff or University Security Staff in connection with the enforcement of these Regulations. Anyone refusing to comply will be asked to leave the Library immediately.
- 3.4 Users must not lend their ID to another person, even if accompanying that person, or enter, or try to enter, the Library using another person's ID. Designated Staff, or University Security Staff, may require Users to show their ID at any time.

4. BORROWING

- 4.1 Staff and Students of Aston University are entitled to become Borrowers with full borrowing rights. The quantity and type of Items that may be borrowed may be different for Staff and Students. Each individual may use only one Library record, even if they are simultaneously a member of Staff and a Student.
- 4.2 Postgraduate Research Students, Research Fellows and Research Assistants of Aston University shall be granted the same borrowing rights as Aston University Staff.

Regulations for the Use of the University Library

4.3 The following may become external Borrowers with restricted borrowing rights:

- Retired members of Staff
- Graduates
- Members of the Council of Aston University
- Staff of the Aston Science Park
- Academic staff, postgraduate students, part-time students, distance learners, and students on placement, of those institutions with which Aston University has an approved co-operation scheme.

Undergraduate students enrolled at another institution shall not normally be allowed to become Borrowers, except where an appropriate arrangement exists between that institution and Aston University.

Persons who are granted external Borrower rights shall be subject to the following regulations:

- Approved external Borrowers shall be required to pay an annual subscription, at a rate approved by the Director from time to time, with the following exceptions:
 - a) Retired members of Staff shall be exempt from any annual subscription for external Borrower rights.
 - b) Graduates shall pay a reduced annual subscription.
 - c) Staff and students of institutions with which Aston University has an approved co-operation scheme shall be exempt from any annual subscription.
- All categories of approved external Borrowers shall be granted borrowing facilities in respect of the Library's own stock only, as laid down by the Director.
- Certain Library services, including inter-library loans and electronic information services, shall be available for use only by Staff and Students of Aston University, except where licences provide for third-party use.

4.4 All Borrowers must be registered with the Library.

4.5 Borrowers must notify the Library of any change of address at the earliest opportunity.

4.6 Borrowers' borrowing allowances shall be displayed in the Library and on the Library's webpages.

4.7 The Director may temporarily restrict the loan of certain categories of materials.

4.8 Items designated as 'Reference' may not be borrowed, except by permission of the Designated Staff. Aston University theses may not be borrowed.

4.9 Borrowers must ensure that all Items are properly issued on one of the Self-Service issue terminals, or at the Help Desk, before they attempt to take them through the Security Barrier(s). Users must not attempt to leave the Library through the entrance Security Barrier(s). Any User who attempts to pass through a Security Barrier with an Item in his/her possession that has not been properly issued will be deemed to be in breach of this Regulation.

4.10 Borrowers are responsible for keeping their library record secure and should check their record regularly to ensure there has been no unauthorised use of it. In particular, they should log out of their record after accessing it on a public PC or the self-service machines.

4.11 Users leaving the Library must show to a member of Designated Staff all Items in their possession, if required to do so.

4.12 Any member of Staff wishing to borrow Items through a messenger must send written authorisation specifying the Items to be borrowed.

Regulations for the Use of the University Library

- 4.13 Under certain conditions, items may be taken out of the UK. These conditions are published on the LIS webpages. We strongly recommend that Borrowers do not take one week loan items abroad, as they will be responsible for the cost of return postage if the item is required by another User
- 4.14 Items must be returned by the date and time indicated when issued or renewed, except that they may be required to be returned by an earlier date: if reserved by another reader; if the Borrower is about to leave the University (e.g. in order to provide clearance for graduation); or at the discretion of the Designated Staff. Non-receipt of courtesy reminder messages from the Library does not absolve the Borrower from responsibility to return borrowed items on time.
- 4.15 Items must be properly returned to the Library by the original Borrower; passing on an Item to another Borrower does not absolve the original Borrower from responsibility for it. Borrowers must not use another Borrower's ID to borrow Items, or ask to use it, nor should they borrow Items on behalf of other Users, unless written permission has been given by the other User.
- 4.16 Borrowers must ensure that items are returned securely; failure to do so may result in the Borrower being held responsible for any items that have not been discharged from the Borrower's record.
- 4.17 At the discretion of the Designated Staff, Items may be returned by post, provided they are adequately wrapped and the Borrower pays the return postage. In the case of Items taken out of the UK, an alternative return delivery service to the postal service may be required. Borrowers shall be held responsible for any Loss or Damage sustained to Items in the post or any alternative return delivery service.
- 4.18 Loans of Items may be renewed at the discretion of the Designated Staff. The maximum number of renewals shall be determined by the Director from time to time and shall be publicised.
- 4.19 When an Item on loan is requested by another reader, a recall notice will be sent specifying a new date for return. Fines will be incurred by the Borrower if the item is not returned by the new date.
- 4.20 Fines shall be levied at rates approved by the Director from time to time and will be publicised in the Library and on the Library's webpages.
- 4.21 The Designated Staff may suspend borrowing facilities for any Borrower who fails to return an Item after two reminders, or who has unpaid fines.
- 4.22 Borrowers shall be held responsible for the Loss of any Items that they have borrowed from the Library and shall be required to make good the Loss.
- 4.23 Users found to be in possession of damaged items, or identified as causing damage to LIS property or premises, will be charged for the restitution cost, as determined by the Designated Staff. Other sanctions may also be imposed, under the terms of the appropriate institutional disciplinary regulations and/or procedures.
- 4.24 Users who have been granted access to other libraries, by virtue of collaborative or reciprocal agreements into which LIS has entered, must abide by the regulations of the library being visited. Any breach of those regulations will be deemed to be a breach of these regulations, and appropriate action will be taken. This may include recovery of any debts or charges incurred by the User at the library being visited, which that library has been unable to recover from the User.

5. ASTON UNIVERSITY THESES

- 5.1 Aston University theses may not be borrowed.
- 5.2 Any user wishing to consult an Aston University MSc, MSc by Research, MPhil, PhD or DSc thesis shall sign a declaration that no information derived from the thesis will be published or used without the consent, in writing, of the author.

Regulations for the Use of the University Library

- 5.3 A request for the loan of an Aston University thesis shall normally be met by referral to the British Library for the supply of an electronic copy, via the EThOS service. All users shall agree to the Terms and Conditions of use of the EThOS service before ordering and using an electronic copy of an Aston University thesis or one from another university.
