<p>Entry Requirements</p>	<p>Direct Entry:</p> <ul style="list-style-type: none"> • A UK honours degree or an overseas degree recognised by Aston or • A degree-equivalent professional qualification • Evidence of quantitative aptitude in mathematics to a level of a good GCSE pass or equivalent. <p>English Language Requirements (for candidates whose first language is not English):</p> <ul style="list-style-type: none"> • A TOEFL score of 93 (internet-based with minimum 26 in writing, 22 in speaking, 19 in listening and 18 in reading). • An IELTS score of 6.5 overall with no less than 6.5 in writing and speaking and 6.0 in listening and reading. • A Pearson Academic score of 63 overall with 63 minimum in writing and speaking and 57 in reading and listening • Candidates with IELTS 6.0 overall with 6.0 or above in all sections, or Pearson Academic 57 overall with a minimum score of 57 in each section are offered the opportunity of attending an 8-week pre-session course. • Candidates with IELTS 5.5 overall with 5.5 or above in all sections, or Pearson Academic 50 overall with a minimum score of 50 in each section are offered the opportunity of attending a 12 week pre-session course. • Candidates with IELTS 5.0 overall with 5.0 or above in all sections, or Pearson Academic 50 overall with a minimum score of 42 in each section are offered the opportunity of attending a 16 week pre-session course. • Candidates with IELTS 5.0 overall with a minimum of 5.0 in writing, speaking and reading and 4.5 in listening, or Pearson Academic 42 overall with a minimum score of 42 in each section are offered the opportunity of attending a 20 week pre-session course. • A GMAT of 550 minimum may be required
---------------------------	--

<p>Programme Regulations</p>	<p>Attendance requirements:</p> <p>Students are required to attend all sessions as specified for the course.</p> <p>Flexible Credit Accumulation – Receiving an award:</p> <p>The Programme Examination Board will consider students on this mode of attendance at least annually. The Board will agree the options open to students e.g. accept a Postgraduate Certificate and withdraw from the programme or continue with the programme. Students will receive a 'statement of progress' letter at least once per year usually after a Programme Examination Board indicating: which credits have been passed, whether the credit passed entitles the student to an award and the period of study remaining until the time-limit for FCA programmes is reached (3 years from the start of the programme).</p> <p>If a student wishes to accept an award and leave before the end of the programme they must respond to the statement as soon as possible indicating they wish to receive an award</p> <p>Exemptions from (Professional Qualification) examinations:</p> <p>This Programme is fully accredited by the Chartered Institute of Personnel and Development (CIPD). On completion of the MSc students will bank the knowledge criteria for Chartered Membership of the CIPD.</p> <hr/> <p>Specific assessment requirements for modules / module pass marks:</p> <p>The Board of Examiners will normally condone a maximum of 30 credits of taught modules (not including the dissertation).</p> <p>The CIPD do not allow the condonement of any modules on their accredited programmes. Students must therefore achieve a 50% (Masters-level) pass mark on all modules to successfully meet the knowledge criteria for Chartered Membership of the CIPD.</p> <hr/> <p>Project Requirements:</p> <p>It is a requirement of the MSc Human Resource Management & Business that students undertake a major project of up to 10,000 words.</p> <p>The project must be passed with a mark of 50% or above for the award of MSc. If the mark awarded is below 50% a student may be referred and given a final opportunity to submit.</p> <p>The project is not required for the award of Diploma or Certificate</p>
<p>General Regulations (http://www1.aston.ac.uk/registry/for-staff/regsandpolicies/general-regulations/) and the Regulations for the programme (above) take precedence over other information sources such as student handbooks if there is a conflict. If there is a conflict between General Regulations and Programme Regulations then General Regulations take precedence unless an exemption has been approved.</p>	

This specification provides a concise summary of the main features of the programme and the threshold learning outcomes that a student might normally be expected to achieve and demonstrate if he/she takes full advantage of the learning opportunities that are provided. **The individual modules included in the programme may differ from those included in this programme specification as our programmes are subject to continuous review.** Information on admissions requirements and career opportunities is available in the relevant prospectus. More detailed information on the learning outcomes, content and teaching, learning and assessment methods of each module can be found in the appropriate module outlines and programme handbook(s).
