<p>Educational Aims of the Programme</p>	<p>The principal aim of the programme is to provide students with an overview of how organisations operate through their people. Students will examine the role of the individual in an organisation as well as aspects of organisational structure, culture and change. Other areas studied include the role of groups and teams; comparative study of commercial, public and voluntary organisations and the behaviour of individual firms. Students will also develop an appreciation of the broader context in which all organisations operate, such as the influence of government policy, the impact of social and economic change and the demands of globalisation.</p> <p>Specific aims are:</p> <ul style="list-style-type: none"> • To provide graduates with the main skills and knowledge to operate in fields of human resource management, training and personnel. • To provide students with an excellent learning experience that draws on the research and consultancy of Aston academic staff • To provide well qualified graduates with key skills for life long learning • To meet the accreditation requirements of appropriate management-related professional bodies • To ensure relevance by maintaining and enhancing the School's links with business, professional and public sector organisations • To maintain and enhance the employability of graduates
<p>Relevant Subject Benchmark Statements and other External and Internal Strategies, Policies or Research used to inform programme outcomes</p>	<p>Chartered Institute of Personnel and Development (CIPD) requirements have a strong influence on the curriculum. In addition, because the curriculum is flexible to reflect the interests of individual students, some exemptions can also be gained from other bodies</p> <ul style="list-style-type: none"> • The Mission, Aims and Objectives of the ABS UG Programme • Aston Business School Advisory Panel (a group of senior business leaders who meet regularly with the ABS management team). • Quality Assurance Agency (QAA) Benchmarking Statement on Business and Management • UK Quality Code Part A.1 (2011)

B2	Use models and techniques to analyse problems		
B3	Analyse different perspectives on problems and their solutions		

C. Professional Skills			
	On successful completion of their programme, students are expected to be able to:	Learning, Teaching and Assessment Strategies to enable outcome to be achieved and demonstrated	
		Learning and Teaching Methods	Assessment Methods
C1	Demonstrate an understanding of and the ability to apply methods and techniques used in the management of people	Subject Specific skills are taught via: Tutorials/Case Studies: <ul style="list-style-type: none"> to facilitate practical exercises to understand theory in a practical context to place techniques and theories in a wider business environment Workshops/Simulation: <ul style="list-style-type: none"> to give practical experience of packages and techniques which students will need to know as practising managers Placement experience	Subject Specific skills are assessed via: Case Studies: <ul style="list-style-type: none"> to assess ability to apply knowledge and skills to a practical scenario Group work/Business Games: <ul style="list-style-type: none"> to assess ability to run a fictitious company Placement essay, log book and report: <ul style="list-style-type: none"> to assess ability to analyse a practical problem in a real world situation to demonstrate progress in the development of relevant general and specific management skills
C2	Apply their key skills and competencies within a real work-based situation (via placement experience)		

D. Transferable Skills			
	On successful completion of their programme, students are expected to show:	Learning, Teaching and Assessment Strategies to enable outcome to be achieved and demonstrated	
		Learning and Teaching Methods	Assessment Methods
	A range of general and specific skills including:	<p>Key skills are taught by a range of practical sessions:</p> <p>Tutorials:</p> <ul style="list-style-type: none"> to provide an opportunity for students to work in groups to provide an opportunity for more individual advice on difficult concepts to facilitate practical exercises <p>Workshops:</p> <ul style="list-style-type: none"> to give practical experience of computer packages and techniques to use computer facilities to obtain data and to communicate 	<p>Key skills are assessed via:</p> <p>Presentations:</p> <ul style="list-style-type: none"> to assess students' ability in analysing information and presenting their argument orally in front of a group of people <p>Group Work:</p> <ul style="list-style-type: none"> to assess ability to work in a team <p>Practical tests and portfolios:</p> <ul style="list-style-type: none"> to assess ability of using IT in a business environment <p>Written work:</p> <ul style="list-style-type: none"> to assess ability to communicate effectively in written form to assess ability to assemble and evaluate statistical and financial data by applying relevant models
D1	IT and computing skills		
D2	Report writing skills		
D3	Presentational skills		
D4	Oral and written communication and team working skills		
D5	Competency in understanding relevant statistical analyses and financial reports		

Entry Requirements	<ul style="list-style-type: none">• Candidates must meet the general University entry qualifications as set out in the General Regulations for Undergraduate Programmes.• Candidates must satisfy the specific entry requirements for each programme as approved by the School Learning and Teaching Committee.
--------------------	--

Programme Regulations	
<p>1. Attendance Requirements</p>	<p>1.1 Students are normally required to attend the University for nine terms over a period of four consecutive academic years including industrial/ professional training.</p> <p>1.2 In order to qualify for the award of the Degree a student must have attended at least 80% of the required proportion of tutorials, seminars, practical classes, and lectures, as set out in the Student Handbook.</p>
<p>2. Industrial/ Professional Training</p>	<p>2.1 Students will be required to undertake an appropriate programme of integrated industrial/professional training of at least 30 weeks and a maximum of 48 weeks at such times as approved by the Director Undergraduate Programmes. NB. The normal length of an Undergraduate industrial placement within the Business School is 48 weeks.</p> <p>2.2 Students can undertake the programme of industrial/ professional training (as detailed in 2.1), by studying at specified institutions abroad. A Full Learning Agreement/Plan, must be approved by the partner school and by Aston within four weeks of arrival.</p> <p>2.3 The Director Undergraduate Programmes may exempt students from the Placement Year if they have overseas status or have very special circumstances.</p> <p>2.4 Marks from the placement year contribute to the degree classification as specified in the General Regulations for Undergraduate Programmes.</p>
<p>3. Assessment</p>	<p>3.1 Requirements for the Ordinary Degree</p> <p>3.1.1 The Board of Examiners may require a student to transfer to the Ordinary Degree programme if the student's performance in the Level 4 or Level 5 Examination of the Honours Degree programme is not of Honours Degree standard.</p> <p>3.1.2 The conditions governing Ordinary degrees are as set out in the University Regulations.</p> <p>3.1.3 At the discretion of the Director Undergraduate Programmes, students who have been transferred to the Ordinary Degree at the end of the first year may follow the Honours degree requirements in their second year in order to give them the opportunity to return to the Honours degree at the end of the academic year if their performance is deemed at Honours level by the second year Examination Board.</p>
<p>4. Classification of Awards</p>	<p>4.1 The final degree classification will be calculated as set out in the University General Regulations.</p>

5. Prizes	<p>5.1 The award of available Prizes is at the discretion of the Examination Board.</p> <p>5.2 The Board of Examiners will not award a prize to any student who has failed the module in question or who is unsuccessful in progressing to the next stage of the degree.</p>
6. Certificate/Diploma of Higher Education	The Board of Examiners may award a Certificate of Higher Education (after satisfactory completion of year one) or a Diploma of Higher Education (after satisfactory completion of year one and year two) to a student who, for whatever reason, is unable to complete their degree programme.

General Regulations (<http://www1.aston.ac.uk/registry/for-staff/regsandpolicies/general-regulations/>) and the Regulations for the programme (above) take precedence over other information sources such as student handbooks if there is a conflict. If there is a conflict between General Regulations and Programme Regulations then General Regulations take precedence unless an exemption has been approved.

Further Information	
---------------------	--

This specification provides a concise summary of the main features of the programme and the threshold learning outcomes that a student might normally be expected to achieve and demonstrate if he/she takes full advantage of the learning opportunities that are provided. **The individual modules included in the programme may differ from those included in this programme specification as our programmes are subject to continuous review.** Information on admissions requirements and career opportunities is available in the relevant prospectus. More detailed information on the learning outcomes, content and teaching, learning and assessment methods of each module can be found in the appropriate module guides and programme handbook(s) which are available to students on enrolment.
