

Aston Research Explorer

Terms and Conditions for Deposit

1. Depositor's Declaration

I hereby grant to Aston University for Aston Research Explorer a non-exclusive licence on the terms outlined below. I warrant that:

- 1.1 I am the creator of all or part of the whole work(s) (including content and layout), or am authorised by the owner(s), or other holders of these rights and am competent to grant under this agreement, a licence to hold and disseminate copies of the material.
- 1.2 The work(s) are not in any way a violation or infringement of any copyright, trademark, patent, or other rights whatsoever of any person.
- 1.3 That if the work(s) have been commissioned, sponsored or supported by any organisation, that I have fulfilled all of the obligations required by such contract or agreement.

2. The Repository's rights and responsibilities

Aston Research Explorer:

- 2.1 May distribute copies of the work(s) (including any abstract) worldwide, in electronic format via any medium for the lifetime of the repository for the purpose of free access without charge.
- 2.2 May electronically store, convert or copy the works(s) to ensure their future preservation and accessibility.
- 2.3 May incorporate metadata or documentation into public access catalogues for the work(s).
- 2.4 Shall retain the right to remove the work(s) for professional or administrative reasons, or if they are found to violate the legal rights of any person.
- 2.5 Shall not be under any obligation to take legal action on behalf of the depositor or other rights holders in the event of infringement of intellectual property rights or any other right in the material deposited.
- 2.6 Shall not be under obligation to reproduce, transmit, or display the work(s) in the same format or software as that in which it was originally created.

3. Software

- 3.1 Copyright in additional data, software, user guides and documentation to assist users in using the work(s) shall belong to Aston Research Explorer on behalf of Aston University and any other parties that Aston Research Explorer may choose to enter into an agreement with to produce such materials.
- 3.2 While every care will be taken to preserve the physical integrity of the work(s), Aston Research Explorer shall incur no liability, either expressed or implicit, for the work or for loss of or damage to any of the work(s) associated data.

4. Definition and Terms

In this agreement: 'Work': means each item being deposited including any abstract, text, images and related data.

Aston Research Explorer means any service provided by Aston University to permit third parties to access electronic materials held in its institutional repository at no charge.

You need to accept the Aston Research Explorer's Terms and Conditions for Deposit summarised here

For work being deposited by its author: in self-archiving this collection of files and associated bibliographic metadata, I grant Aston University the non-exclusive right to electronically store, convert or copy the work(s) to ensure their future preservation and accessibility so they are publicly freely available online for the lifetime of the repository. I declare that I am the copyright owner and/or have the right to grant Aston University this licence. I declare that this material is original and to the best of my knowledge does not violate or infringe any law including copyright. I have the right to grant Aston University this licence with the understanding that Aston University does not assume any responsibility if there is any breach of copyright in distributing these files or metadata. All authors are urged to prominently assert their copyright on the title page of their work.

For work being deposited by someone other than its author: I hereby declare that I am authorised by the owner(s), or other holders of these rights and I am competent to grant under this agreement, a licence to hold and disseminate copies of the material and associated bibliographic metadata that I am archiving in the repository in the public domain. If this is not the case, I accept full responsibility for any breach of copyright that distributing these files or metadata may entail.
