Sustainability at Aston

- Recycling facilities are available around the campus for: paper and cardboard, glass, cans, plastic bottles, textiles, batteries, books.
- For wider facilities take a look at the Aston Recycling A-Z www.aston.ac.uk/about/environment/what-were-doing/waste-management/recycling-a-z or try your local household recycling centre.
- Aston has signed up to the 10:10 campaign, committing to a 10% reduction in carbon emissions during 2010. You can also sign up as an individual online.
- The Student Switch Off campaign is running at Aston, all students living on campus in Halls of residence can sign up to try and save energy and win prizes.
- For more information, try the Environment web pages www.aston.ac.uk/about/environment or contact Aston's Environment and Sustainability Team: environment@aston.ac.uk
