Post Review – Complete for University Funded Support Posts only

Please answer the following:
Can advertising/recruitment be deferred? If not, why not?

Is there any potential for reallocating some of the duties to existing staff and reducing the FTE?

Could you second a member of staff from elsewhere in the University or take on a member of staff who is available for redeployment? If not, why not?

Is there any potential (perhaps with the help of ISA or a consultant) for automating some of the current processes?

Is there any overlap with functions carried out in other parts of the University?

Could the position be fulfilled by temporary resource whilst process review is being carried out?

Could the position be restructured to recruit staff on a lower grade or on reduced hours?

Forms prepared for submission to the Executive Operations Group should be forwarded to Carole Brennan, PA to the Chief Operating Officer.

NOTES FOR GUIDANCE

This form is to be used in all cases where it is proposed to recruit, reappoint, renew or extend a member of staff, and it applies to all categories of staff regardless of the source of funding. Each post should have an individual form raised.

Part-Year Staff
When employing staff for part of the year it is important to determine whether the holiday entitlement is to be taken during the nominated working weeks, or whether no holidays will be taken during the working weeks and a payment made in lieu of their holiday entitlement. Please read the separate document "Budgeting for part-year staff' which explains the difference between the two, including the budgetary implications.

Reasons for Using Fixed Term Contracts
The form should note the reason for using a fixed term contract, in line with the University's policy on their use. Please contact your HR Advisor if you need further advice on the use of fixed term contracts.

Costs
Please contact your HR Advisor if you require advice on estimating recruitment and relocation costs or the cost of using recruitment agencies or search consultants. **Note:** Relocation costs of a maximum of £4000 have to be met by the recruiting budget centre should relocation be approved.

Job Codes
Job Codes must be identified from which the following items of recruitment expenditure will be funded and should be completed before any agreement is entered into with a recruitment or search consultant.
- Salary costs
- Recruitment Advertising
- Recruitment Interviews (i.e. travel & hospitality in attending interview)
- Agency/search fees
- Removal, Relocation and Resettlement Expenses for the person appointed

Post Reviews
All University funded support posts must be reviewed before they will be approved for release. Where a review has not taken place, they will not be released for recruitment. Please contact your HR Advisor for assistance in carrying out the review.

In undertaking the review, where appropriate consideration should be given to:
- Determining/forecasting the level/volume of work
- Recruiting on a temporary basis until a specified objective is achieved
- Restructuring/reallocating some of the duties to recruit staff on a lower grade
- Seconding staff from elsewhere to cover essential duties
- Permitting a limited amount of overtime to cover the most essential functions
- The level of staff turnover in the local area
- The level of performance management in the local area
- Ceasing to do certain activities
- Automating activities
- Redeploying staff who would otherwise be redundant
- Reducing service standards
- Deferring a recruitment decision for (say) 6 months to permit reviews to take place in greater depth

Post Authorisation
The form should be completed and signed by the recruiting manager to confirm that the review has taken place. The relevant Accountant will then confirm that the funds are available in the accounts specified and the relevant signatory as set out in the grid at the foot of the previous page should sign the form to confirm their support for the post. The form should then be forwarded to Human Resources. Once the form has been authorised, the post will remain current until it is filled or formally withdrawn.
