MANAGEMENT ACCOUNTING RESEARCH GROUP CONFERENCE

18 and 19 November 2010

CONFERENCE ANNOUNCEMENT AND FIRST CALL FOR PAPERS

We are pleased to announce that the annual MARG conference is to be held on Thursday 18th and Friday 19th November. Papers are invited addressing any area of management accounting research and practice.

Papers addressing the application, or refinement, of management accounting techniques in practical settings are encouraged. Papers from practitioners in such settings would be especially welcome.

The first day of the conference will commence at 10.30am and will consist of plenary presentations. At the end of the first day there will be a conference dinner where delegates will have the opportunity to meet and discuss their research interests and practice developments in a relaxed setting. The second day will consist of parallel sessions and may be especially appealing to early career researchers, many of whom may still be completing their PhD. The conference will end after lunch on Friday 19th November.

Full papers (or extended abstracts) should be submitted to the organisers by 30th September 2010. For the plenary presentations preference will be given to full papers.
