My Hearing PREM Scoring Manual

There are 16 items on the My Hearing PREM and each item can score between 1 and 5 points. The lowest score available is 16 points, and the maximum score available is 80 points.

Each question includes a scale of 5 response options:
Never, Rarely, Sometimes, Most of the time, or Always.

The total score is the sum of the 16 items.

Score interpretation:

16-39 = normal range (little or no need for intervention)

40-59 = moderate (possible need for intervention)

60-80 = significant (requires intervention)

The 3 subscales address 3 important domains experienced by those living with hearing loss. The subscale score is the sum of the 3 included items in that section:

Domain	Item number
Emotional Burden	1-6
Communication	7-10
Support	11-16
