

# How to find Aston University Eye Clinic

## *By road, rail, and air*

### Rail travel

New Street, Snow Hill and Moor Street train stations are all within 10-15 minutes' walk of Aston Eye Clinic or a 5 minute taxi journey.

Please visit [trainline](#) for details of times and tickets.

Follow walking routes from: Birmingham New Street, Moor Street and Snow Hill stations.

### Bus routes

Several bus services operate to the University campus throughout the day. You can find a route planner to the Aston University campus [here](#).

### Taxi drop off points

The central drop off point for the Aston University campus is a minute's walk to the Aston Eye Clinic.

### Birmingham Airport (BHX)

Aston Eye Clinic is a mere 9 miles from Birmingham Airport and a taxi journey should take approximately 20-30 minutes dependent on traffic.

There are also trains from Birmingham International station to Birmingham New Street station (approximately 5-10 minutes journey time), then follow the directions above for taxi journeys or walking to the Eye Clinic.

### Travelling by car

#### *From M6 North and South*

- Exit at Junction 6 for A38(M) following signs for "Birmingham (Cen)".
- Take lane 2 of the A38(M) for 2 miles, following signs for "City Centre".
- Exit left off the A38(M) immediately after the overhead "End of Motorway" sign before the flyover. Keep left and follow signs for "Aston University".

#### *From M42, East Midlands and Birmingham Airport*

- Leave the M42 at Junction 7(A), following signs for "M6 (N) Birmingham (Central & N)" join the M6 (N). Follow the directions from M6 above.

#### *From M5 South-West and City Centre*

- Leave the M5 at Junction 3, signposted "A456" towards Birmingham. Follow the A456 for about 5 miles towards the "City Centre".
- As you approach the City Centre, the road broadens to three lanes. Take the right lane as you approach "Five Ways" roundabout. Ring Road (A4540), Airport/NEC (A45).
- Exit the roundabout, onto the A4540 Islington Row Middleway, continue onto the Lee Bank Middleway and keep left.
- At the Belgrave Interchange, turn left onto the A38, signed "A38(M), M6".
- Keep in the middle lane and follow the A38. then onto Great Charles Street Queens Way (A4400) (This will take you through three underpasses)
- After the third underpass, exit left immediately before the flyover, signposted "Aston University", then stay in the right-hand lane.
- At the Lancaster Circus roundabout take the 3rd exit off signposted "Aston University".

#### *From M40 Oxford*

- Take M40 north and join the M42 westbound towards the M5. Travel north on the M5, leaving at junction 3 and follow directions from M5 South-West above.

#### *From M1 and The South*

Take M1 north and exit at Junction 19 to join the M6 towards Birmingham. Follow the directions above from the M6.

#### *From South Birmingham (Moseley, A45, A34)*

- Join the A4540 heading North. When Birmingham Science Park is on your left, take the left turn at the traffic lights onto Lister Street, continuing onto Woodcock Street.

Several route planners are available online to direct you on your journey. You can use [Google maps](#) for a door to door route plan.

### Parking

The car park for patients of the Aston University Eye Clinic can be found [here](#).

As you approach the car park from Woodcock Street, turn on to Aston Street and you will find it situated on your left-hand side.

The barrier will automatically raise for you. Report to [reception](#) for a parking permit.

Alternative parking can be found at [car park 5](#), or [Millennium Point](#) (both pay & display).

**PLEASE NOTE** that many GPS systems will not show that Aston Street is closed to through traffic, so access to Aston Street should be from Woodcock Street only and not from the James Watt Queensway.

We have a [clean air zone](#) in force in Birmingham city centre.

Before planning your journey by car please check your car registration using [this link](#) to see if you need to pay a daily fee to enter the clean air zone.

If applicable the fee can be paid [here](#).
